

DENIS V. MAKAROV

Dr. Sci.

Leading Researcher

PERSONAL DETAILS

Name: Denis Vladimirovich Makarov

Date of Birth: 14th October 1977

Nationality: Russian

Marital: married

ADDRESS

V.I. Il'ichev Pacific Oceanological Institute of the Russian Academy of Sciences, 43 Baltiiskaya St.,

90041 Vladivostok, Russia

fax: 007-4232 312573 ,

ph.(office): 007-4232 313081,

e-mail: makarov(at)poi.dvo.ru

CAREER

1994-1999 - student, Krasnoyarsk State University

2004 - Ph.D. in Physics (Acoustics)

2015 - Dr. Sci. in Physics (Theoretical Physics)

AWARDS

2005 - medal of Russian Academy of Sciences for young scientists.

2007 - V.I.Ilichev Prize of the Far-Eastern Branch of the Russian Academy of Sciences

2008 - L.M.Brekhovskikh medal of the Russian Acoustical Society

2016 - U.H. Kopvillem Prize of the Far-Eastern Branch of the Russian Academy of Sciences

MEMBERSHIP

Member of the Russian Acoustical Society.

RESEARCH GRANTS

2009-2010 - Russian Foundation of Basic Research, project "Modeling of sound propagation and modal acoustic tomography of Far-Eastern seas".

2009-2011 - Russian Foundation of Basic Research, project "Control of particle transport in space-periodic potentials".

2012-2013 - Russian Foundation of Basic Research, project "Study of sound propagation in oceanic acoustic waveguides with substantial influence of bottom".

2016-2018 - Russian Foundation of Basic Research, project "Study of sound propagation in oceanic waveguides by means of the random matrix theory".

2006-2007, 2009-2010 - projects supported by the grants of the Prezident of Russian Federation.

2009-2011 - grant of the "Dynasty" foundation.

2003-2011 - projects supported by the grants of the Prezidium of the Far-Eastern Branch of the Russian Academy of Sciences.

HOBBIES

football, chess, music, travelling

PUBLICATIONS

Monograph:

Makarov D.V., Prants S.V., Virovlyansky A.L., Zaslavsky G.M. *Ray and wave chaos in ocean acoustics: chaos in waveguides*. Singapore, World Scientific, 2010.

In journals:
